Report of Principal and School Improvement Council

Since its doors opened in 1994, Henry L. Sneed Middle School has provided a well-rounded education to thousands of 7th and 8th grade students in Florence School District One.

We are proud of the accomplishments of our students and teachers, both in and out of the classroom. We continue to pursue academic improvement through the Making Middle Grades Work Program. Since its implementation in the 2005-2006 school year, Sneed continues to make measurable improvement in its students' test scores, including the standardized MAP and PACT (now PASS) test scores. Our faculty strives to enhance and refine classroom instruction techniques to keep up with observed changes in the way students learn, particularly in the area of technology. All instructional classrooms now utilize interactive SMART boards to enhance the learning experience. With financial support from community partners and The Association of Parents and Teachers (APT), Sneed now has four completed computer labs. These labs allow all students to improve their technology skills, particularly those who may not have access to computers at home. In the future we hope to acquire iPads for our computer labs in an effort to keep our students current in the use of emerging technologies.

Our school's efforts at academic improvement are being rewarded. Destiny Waldrop was the FSD1 8th grade winner of the State School Superintendent's Writing Award Program for 2010-2011. Sneed Middle School students Kristan Holiday and Elijah Casey took first and second place respectively in The National Career Development Association Poster Category. In the Poetry Division, Kiana Lowery and Kelsey Luckey took 1st and 2nd place respectively. David Lu was the 1st runner up out of 29 participating schools in this year's Pee Dee Regional Spelling Bee. This year the Pee Dee Education Center recognized 33 Sneed students as South Carolina Junior Scholars. To help develop well-rounded students outside the classroom, Sneed offers numerous extracurricular programs, including Beta Club, Student Government Association (SGA), Delta Academy Girls, Fellowship of Christian Athletes and various athletic teams. Through these programs, Sneed students participated in a can food drive for the House of Hope, Pasta for Pennies, Hearts to Haiti and The Samaritan's Purse Shoebox Project.

Sneed Middle School is particularly proud of its charitable endeavors. During Operation Christmas Tree, our expansive entrance hall was filled with toys, gifts and other Christmas goodies to help bring Christmas joy to underprivileged children and families. In Sneed's latest project, over 500 books were donated in support of "Story Books for Samoa", a reading initiative established by one of our teachers, Mrs. Janet Blaich. Mrs. Blaich's daughter teaches English in American Samoa and her school was the recipient of this gift. The outpouring of generosity and caring exhibited by Sneed students and parents this year was truly amazing.

By providing an enriched academic, social and extracurricular learning environment, Sneed Middle School continues to develop academically prepared and successful students. It is our ongoing quest to fulfill our mission to prepare students to become responsible citizens and lifelong learners in an atmosphere that is conducive to learning.
